So after all you have more chances to
get the desired job

AVOIDING UNEMPLOYMENT

Competitiveness in the labor market

Being not competitive makes your chances of getting a job lower

How can I protect myself from being unemployed?

- Make yourself indispensable at work (offer yourself to help on new tasks)

- Bring useful new ideas to your enterprise and make yourself noticed

Not unemployed

- Write a legit resume

- Languages

- After all, not giving reasons for being fired!

(Such as not going to work and making profit of the state's aids)

Even if you're fired, consider it as an...

OPPORTUNITY

WILL I BE EXCHANGEABLE?

Will I be switchable/exchangeable?

It's good to dominate as much branches as you can , but try to focus on one, so you get specialized on that one

Knowledge is POWER!

Being exchangeable is an opportunity for staying in the enterprise.

Being exchangeable makes you able to do different kind of jobs, and the ability to adapt yourself on new tasks proposed

PERSONAL OPINION

A group of diverse people, including men and women of various ethnicities, are shown from the chest up. They are all smiling and looking upwards, with their hands raised in a celebratory gesture, stacked on top of each other in the center of the frame. The background is a bright, out-of-focus indoor setting, possibly a modern office or a public space. The overall mood is positive and energetic.
