Am I Ready to Work Abroad?

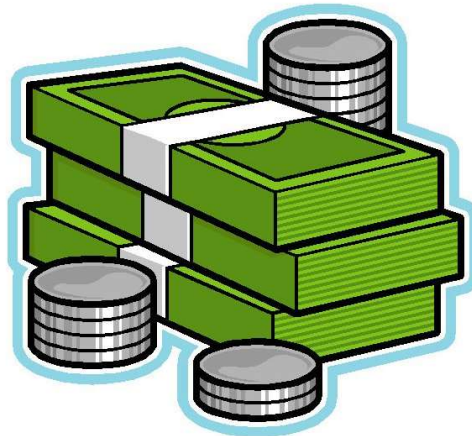

Things you should consider before starting work abroad.

1. Can you control your finance?

Be
abstemious!

Buy only
things that
you need!

Check the
country's
standards!

2. Can you handle the cultural differences?

Learn about
your new
culture.

Check the
credentials you
need.

3. Are you ready for a fresh start?

Chance to get a
new thing
going.

Coming out of
your shell.

4. What about friends, family and beloved ones?

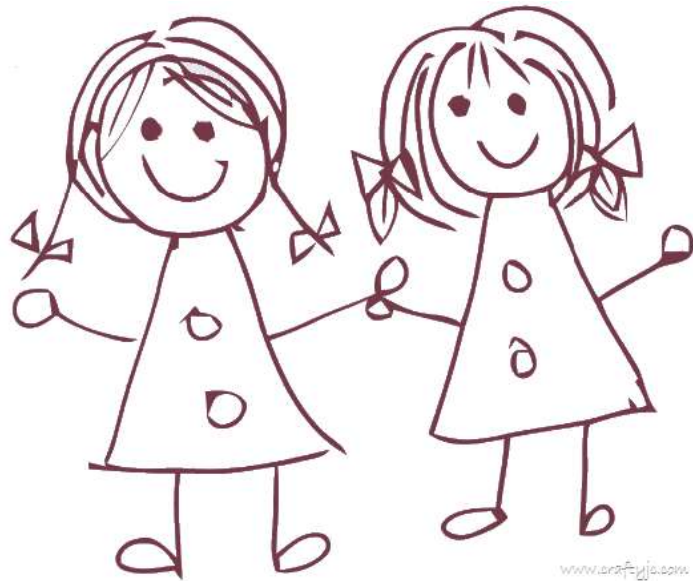

Skype calls.

Being away for
birthdays and
holidays.

5. How to escape from loneliness?

Get a
roommate.

Or maybe a
pet?

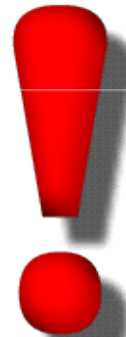

Final Tips

Learn new
languages.

Stay open to
